SUMMARY

AI & Data Analyst candidate with hands-on experience in Generative AI, AI/ML for data analytics, and prompt engineering, backed by certifications from Anthropic, ISRO, Cisco, and IBM. Currently pursuing a BCA at Amity University Online. Also runs WordPress web development and digital marketing as side work — hands-on across hotel, insurance, and school business use cases.

SKILLS

Generative AI & AI/ML: Generative AI Fundamentals, AI Capabilities & Limitations, Prompt Engineering, AI/ML for Geodata Analytics

Data Analytics: AI-Assisted Data Analytics, AI-Driven Strategy, Business Reporting & Data Storytelling

Web Development (Side Work): WordPress, Website Development, Responsive Design, HTML, CSS

Digital Marketing (Side Work): SEO Strategy & Types, Social Media Marketing, Google Ads, Meta Ads

Professional Skills: Professional & Life Skills, Communication, Problem Solving

EXPERIENCE

Web Development & Digital Marketing (Side Work)

Ongoing

- Currently building WordPress website projects for hotel, insurance, and school businesses, handling theme setup, page structure, and responsive layout.
- Running on-page SEO and social media marketing activity alongside each build, including Google Ads and Meta Ads campaign setup.
- Working directly with business use cases end-to-end: understanding requirements, structuring the site, and iterating based on feedback.
